

Cannabis & Wellness

From seed to sale, we've got your back.

Recreational and medicinal cannabis present complex challenges for physical security. And, regulatory compliance is nonnegotiable. From securing farms and transit to safeguarding retail environments and financial assets, your business **REQUIRES** physical security solutions.

YourSix understands these complexities. Our expert staff are deeply involved in the evolving state laws and local regulations to ensure our solution is ready to execute at all times amidst the rapidly evolving dynamics of your market. From farm and prep areas to transit and dispensary surveillance, YourSix provides physical security and visual intelligence to secure and optimize your cannabis operation.

Protecting investments long term with **open technology**

Eradicating downtime with **redundant architecture**

Powering simplicity with a **single pane of glass**

Growing to your needs with **unlimited scalability**

Ensuring up-to-date protection with proactive **health monitoring**

Guarding data with **modern cybersecurity protocols**

Fueling Innovation Through Open Technology

As technology continues to evolve at a rapid pace, it becomes increasingly difficult for the cannabis industry to justify funding solutions that risk vendor lock-in. YourSix is dedicated to open technology and standards-based devices to save you from this dangerous financial pitfall.

- Proactive alarm and fully integrated video monitoring service options
- Unlimited devices, users, and locations in a single cloud platform
- Ensure maximum uptime and secure, reliable access for authorities
- Automated firmware updates and cloud enhancements for max uptime
- Flexible video subscriptions for any duration of retention
- Redundant video storage: in the camera, centrally on-premise, and in the cloud
